

# Residential Site Condition Report

Residential (Land Lease) Communities Regulation 2015, Schedule 2

Fair Trading

**IMPORTANT INFORMATION**

1. This form is only for use in relation to a residential site and not the home or any fixtures on the site.
2. This site condition report must be completed by the operator and the home owner at or before the time the first site agreement is given to the home owner for signing.
3. This site condition report is an important record of the condition of the residential site when the site agreement begins and a copy must be annexed to the site agreement.
4. It is important to complete the site condition report accurately. It may be used as evidence at a later date, including in the event of a dispute.
5. Further information may be added on a separate sheet signed by the operator and home owner and attached to this report.
6. For information about the rights and responsibilities of operators and home owners, see [www.fairtrading.nsw.gov.au](http://www.fairtrading.nsw.gov.au) or call NSW Fair Trading on 13 32 20.
7. A further site condition report is not required to be completed when a site agreement for a residential site is entered into that replaces another site agreement between the same parties in relation to the same site.
